

CHARLOTTE
CHESS CENTER
& SCHOLASTIC ACADEMY

SCHOOL PROGRAMS

providing students with the highest quality chess program available

ABOUT US

Founded in 2014, the Charlotte Chess Center & Scholastic Academy (CCCSA) is devoted to chess education. Led by masters, our team of instructors are the most highly qualified in the Southeast. Regularly contributing to the advancement of our chess curriculum, our instructors are well equipped to provide the highest quality of chess education.

Over 40 schools in the Charlotte Metro Area trust us to provide their students with the highest quality chess program available. In addition to the 2000+ students who typically receive our chess program at school, our Center, located in South Charlotte, is home to over 750 members of all ages.

The CCCSA was voted 2019 "Chess Club of the Year" by the United States Chess Federation.

HOW IT WORKS

- Our highly trained coaches come to your school.
- Clubs meet for one hour before or after school.
- A 15:1 student/coach ratio.
- All chess equipment and supplemental resources provided by the CCCSA.
- Online enrollment and payment, roster creation, and parent communication are all handled by our office staff, unless otherwise desired.

OUR COACHES

- Our coaches are professionals in their field.
- Our coaches are regularly trained on how to manage students and their classrooms.
- Our coaches are well equipped with all proper teaching materials.

ADDITIONAL BENEFITS

- Coaching for students at local, regional, and national competitions
- Online resources for practice at home
- PTA contributions

OUR PROMISE

The CCCSA prides itself on professionalism in education. Our goal is to promote chess as a fun, educational, and supplemental school enrichment activity. We promote an inclusive, safe, and supportive space for all children in our programs.

Lastly, we will never omit a child from our program due to financial reasons. At the direction of school leadership, the CCCSA provides scholarships for students who need financial assistance.

WHY CHESS?

- Positive youth development
- Promotes social, emotional, cognitive, and educational benefits.
- Builds competitiveness, empathy, and respect.
- Builds soft and core skills.
- Fosters attentiveness and critical thinking.
- Greatly enhances problem solving ability.
